

Lionel Road: Schedule of Topics

June 2008

Introduction

The schedule below is based on the discussion of the list that was circulated on the agenda and decisions made at the June Liaison Group. It was agreed there that future meetings would be held on the second Monday of the month and the format of the first two meetings of having a presentation and discussion on a particular topic at the beginning. In discussion it was noted that many topics linked to others. An attempt has been made to order the schedule in a logical way.

Schedule

- 4 August – Principles of sustainability and energy matters
- 8 September – Traffic and pedestrian movements and parking, including safety considerations and policing
- 13 October – Community hub and stadium concept, including contribution to community cohesion, facilities for young and old, disabled and other groups and health and leisure centre provision
- 10 November – Financial viability
- 8 December – Public realm and open space design and links
- 12 January – Employment and business opportunities
- 9 February – Griffin Park proposals
- 9 March – Lionel Road development
- 8 April – Planning application and process
